

# ComfoWell Silencer

**Brand:** Zehnder

**Product Code:** 9320 or 9319 or 9439

**Weight:** 20.00lb

**Dimensions:** 19.70in x 20.50in x 9.05in

**Price: \$352.80**

## Short Description

The multifunction unit incorporates: silencer, fine filter, activated carbon filters, and manifold. The components can be easily and securely coupled using sliding clips supplied.

## Description

The multifunction CW-S Silencer reduces fan and airflow noise before it's carried in the distribution system. It's modular design accepts a series of mounting kits or end plates to adapt Zehnder or other ventilation units to one or both ends of the silencer.
